# Our Mission

**The Mission of the Mathews Community Foundation Is to Improve the Quality of Life for Those Living and Working in Mathews.**

# LETTER FROM THE CHAIRMAN

In last year's annual report, we talked about a new beginning after 2+ years of Covid wreaking havoc on so many of our lives. The best words that we can think of that describe 2022 are RENEWAL and RESURGENCE. Not only did we come back, but we came back STRONG! Thank you, Mathews, for your support in 2022! Because of YOU, we were able to surpass $200,000 in grants to local non-profits that helped so many people. We also have Donor Advised Funds that have been set up over the years by caring donors who can direct their funds to organizations that they choose. When those funds are added into the distribution mix, we had nearly $600,000 in total support flowing out to non-profits. YOU helped us support the great work of Hands Across Mathews, the Mathews Y, Mathews County Public Schools, Social Services, the Bay School, Bay Aging and many other deserving organizations. As you read further in this Annual Report, you will see more specific success stories that highlight our work throughout our community.

> ***"Because of YOU we were able to surpass $200,000 in grants to local non-profits that helped so many people."***

All because of YOU! In 2022, I challenged myself and our all-volunteer Board to go beyond our normal good works in Mathews County and, after a lot of research and thought, we have selected extraordinary projects that will begin to be implemented in 2023. Mathews County Against Poverty or MCAP, is a Mathews Community Foundation-driven initiative that will, through the assistance of other key stakeholders, focus on three areas of our community that desperately need attention: lack of running water in every home, failed septic systems and inadequate or no shelter. This will not be an easy path, but together, we can once again make an impact on the quality of life here in our beloved county. Please take time to read our report and I hope as you read, you will get the same warm-hearted feelings that I get when I see what a compassionate group of people in Mathews can do. Thank YOU again!

## INVESTMENTS:

The Mathews Endowment Fund, established in 2001, is the primary fund that sustains grants awarded through an annual competitive program. The Fund for Mathews, established in 2014, does not have a spending policy or restricted annual disbursement. This provides the Foundation flexible funds to support requests rceived outside the annual grantmaking cycle or to respond to emergency needs stemming from unexpected events affecting Mathews. These funds are invested with Mason Advisory Services based in Reston, Virginia. Mason is a highly regarded institutional investment advisor with the majority of its AUM residing in community foundation funds across the country. The MCF Finance Committee and the CFO of the Community Foundation for a greater Richmond meet quarterly with Mason. As of 12/31/2022, assets in the Endowment fund were $3,168,913, and in the Fund for Mathews $489,924. There continue to be several investment options for donor advised funds and trusts, including the Signature Fund managed by University of Richmond's Spider Management Company (Spider), as well as a menu of Vanguard index funds, and an ESG option. More detailed descriptions of these products can be found at cfrichmond.org, or you may contact our staff team.

## ASSETS:

The Foundation's assets include charitable funds and trusts established by individuals and organizations. Each fund is unique to that donor, and the donor has the assurance that the charitable purpose of the fund will be carried out by the Mathews Community Foundation.

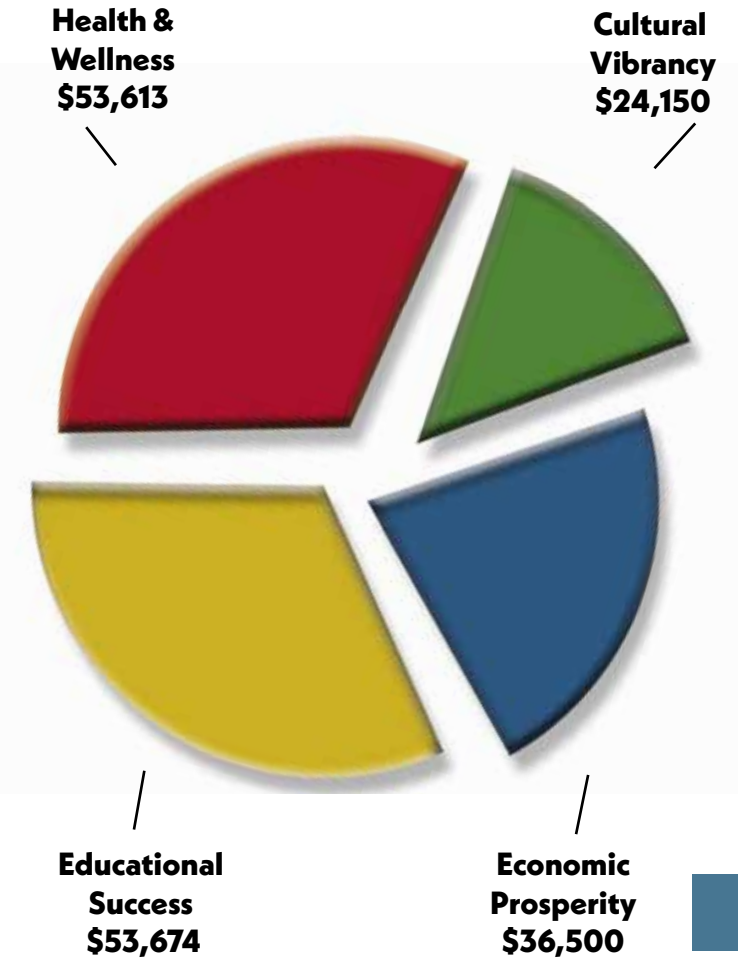

MCF's Advisory Board oversees grantmaking from numerous funds, including the ***Mathews Endowment Fund*** and the ***Fund for Mathews***. Unrestricted gifts to the Foundation are invested and used to provide grant funding to local nonprofits. These gifts also allow the Board to respond to unexpected and pressing needs that can put a severe strain on our vital non-profit organizations.

## GRANTS:

The Mathews Community Foundation Advisory Board is pleased to report that in 2022 we awarded $167,937 in Community Impact Grants to more than 28 nonprofits and a total of 34 total grants. Our Grants Committee spends many hours each year reading, discussing and vetting each and every grant request that we receive so they can advise our full board on how to maximize every dollar to make the greatest impact in our community.

Additionally, other grants and scholarships awarded totaled $370,545 for an overall total of $538,482 that primarily supported local organizations that serve Mathews residents. A listing of donor-advised and all other funds (component funds) begins on page 14 of this report.

## 2022 COMMUNITY IMPACT GRANTS

# COMPONENT FUNDS

Funds generally fall into two main categories, as follows:

**1. Mathews Community Foundation Endowment Fund, Fund for Mathews and Mathews Community Foundation Board Designated Fund**

These unrestricted funds support charitable purposes as determined by the Advisory Board of MCF and comprise by far the largest number of donors. These funds support the work of the Foundation, including the flexibility to meet changing needs and respond to opportunities in the community. Contributions to these funds have increased significantly over the years.

**2. Mathews Community Foundation Component Funds**

These funds are established by donors to benefit charitable purposes of their choosing, including scholarships. These funds can be very broad in scope or support one or more specific nonprofits or areas of interest. Non-profit organizations can create endowment funds to provide perpetual income.

## Board Advised Funds

*Donors identify their philanthropic interests but allow the Board to recommend grants that fulfill the charitable purpose of the fund.*

**Betsy and Dwight Ambach Fund (2002)** Supports the community's greatest needs.

**Susan Barrick Fund for Mathews (2014)** Established from the estate of Susan O. Barrick to support general charitable needs of Mathews County.

# THE LEGACY SOCIETY

*Leaving a legacy that will live on for future generations is important for many people. The Legacy Society was established in 2005 to recognize donors who have included the Mathews Community Foundation in their estate plans, either through a planned gift or by naming the Foundation as a beneficiary in their wills.*
