IRA Charitable Rollover	The IRA Charitable Rollover allows taxpayers aged 70 1/2 or older to transfer up to $108,000 (2025) annually from an IRA directly to a qualifying nonprofit as a Qualified Charitable Distribution (QCD). At age 73, a QCD can satisfy Required Minimum Distribution (RMD) requirements, potentially reducing income taxes while benefiting charities. To count towards your RMD, gifts must be made directly to the Community Foundation to a **qualifying** fund. Contact us to determine the best strategy for your QCD.
Planned Gifts	Planned giving allows you to leave a legacy or add to an existing fund by including the Community Foundation in your will or living trust. This can provide for loved ones, reduce taxes, and support charities. We welcome all types of planned gifts and can work with you and your advisors to explore your options.
Non-Cash Gifts	We have expertise in accepting a variety of large complex gifts such as life insurance, real estate, personal property and privately held stock. Please contact us prior to gifting.
Cash	As a general rule, we do not accept cash payments. If you have a unique situation, please contact us to discuss the details.
